ALMA MATER

Canaseraga Central School
 (Tune, "The Cardinal Is Waving," Stanford University)
 Arr. R. Schlosser
 Words—Members of Rudiments of Music Class 1945

Down in the valley
 Under skies of blue,
 Stands our Alma Mater
 Glorious to view.
 We shall remember
 Throughout the years,
 All we shared together,
 The laughter and the tears.
 So, Hail to Canaseraga,
 Long may she stand
 Firm in tradition,
 The best in all the land.
 Her sons and daughters
 Always will be
 True to Alma Mater;
 Canaseraga, Hail to Thee.

Mr. Murray

To The Class of 1950

You are approaching the close of your High School career and the completion of that first portion of your education for life. That education, of course, will never cease, for as long as you continue to live you will continue to learn. Living and learning are inextricable—to live is to learn and to learn is to really live. When we know and understand entire new horizons open up. Understanding develops into appreciation and appreciation gives a new zest, tingle, enthusiasm and spiritual uplift which makes our former lives drab by comparison.

There is a life that is as worth living now as it was in the former days, and that is the honest life, the useful life, the unselfish life, cleansed by devotion to an ideal. There is a battle that is as worth fighting then, and that is the battle for justice and decency; to break those rings that would strangle real Liberty and to expose to light those dark areas of the human mind which thrive on corruption; to teach our sons and daughters by precept and example the honor of serving such a country as America—that is work worthy of the finest manhood and womanhood.

You will meet failure, perhaps many times. You will also taste success and it will be all the sweeter because of the failure. Life is composed of both of these and must be recognized as such.

"Press forward to the field once more,
one victory's all you need.
You'll laugh at failures you have had
the minute you succeed.
The fighting heart may someday win,
the quitter never can;
There's many a battle turns upon
the spirit of a man.
And who begins the day with faith,
despite his failures past,
May see the tide of victory turn
And roll his way at last."

The well-born are those who are born with this spirit and who wish to do this work. The well-bred are those who are bred to be proud of that spirit and who are proud of their work. The well-educated are those who see deepest into the meaning of this spirit and the necessity of this work. Nor shall their labor be for naught, nor the reward of their sacrifice fail them; for high in the firmament of human destiny are set stars of faith in mankind, and unselfish courage and loyalty to the ideal.

CLASS WILL

We, the Senior class of nineteen hundred and fifty of the Canaseraga Central School, Town of Burns, the County of Allegany, State of New York, and Country of the United States of America, being sound in mind and memory, do make, publish and declare this our last will and testament in manner and following, that is to say:

To our principal, Dayton E. Murray, we give our deepest gratitude and most sincere appreciation for the guidance and advice he has given us in our years in school.

To Romolo Barocco, our Senior advisor, and also to our class advisors of our other years in high school, we extend our thanks and gratitude for the help they have given us in our years under their guidance.

We also leave our thanks and appreciation to the teachers, both in the grades and in high school, who have worked hard and long to give us a firm foundation and the desire to reach this goal—GRADUATION.

Next, our thoughts turn to the classes of the Canaseraga Central School.

To the Senior class of nineteen hundred and fifty-one, we bequeath the success and enjoyment we have derived from our last year in High School.

To the Junior class of next year, success in all their activities.

To that next Sophomore class we leave our ability to annoy the teachers as we did.

To the incoming Freshman class we leave only our warning to behave.

We now bestow some personal gifts upon our friends on the upper floor.

Richard Kelsey leaves his basketball ability to Charles Wilkins.

Phyllis Hubbard leaves her position on the homeroom radiator to Lois Ann Kiley.

Mildred Hagadorn leaves her arguing ability to Doris Mann.

Marylou Mess wills her figure to Marie Gavitt.

Harry Dieter leaves his ability to get by without doing assignments to Mary Swain.

To Elinor LaMonte, Elizabeth Jackman leaves her ability to skip school.

Rosalyn LaMonte leaves her singing ability to Bob Murray.

Paula Bennett leaves her ability to chew gum in class to Charles Wilkins.

Catherine Piyak leaves her mathematical ability to Ralph Fenton.

Everett Swain leaves his height to "Bummy" Pierce.

Harvey Boyd leaves his whiskers to Charles Gavitt.

Joan Stephens leaves her position as "Belle of Birdsall" to Dottie Livergood.

Ted Savey leaves his enormous collection of alibis to Ray Dieter.

Helen LaMonte leaves her quietness to Dorothy VanName.

Trulaine Shay leaves her Irish temper to Marilyn Gates.

Leonard Neetz leaves his brains to Don Gayford.

Bob Gould leaves his ability to get along with women to Lyn Worden.

Dorine Klossner leaves her diet to Joan VanNeel.

Marilyn Wentworth leaves her promptness to Pearl Doud.

Ginny Yencer wills her skiing ability to Peggy Spencer.

Moe Seager leaves his ability to cause trouble to Mary Seager.

In witness thereof, We, the Senior class of 1950, do subscribe our names the twenty-eighth day of February, 1950.

The testators named above who subscribed their names to this paper in the presence of us herein declare this to be their last will and testament and request us to sign our names hereunto as witnesses to the execution thereof which we hereby do in the presence of the testators on the date of the said will.

Class of 1950

PROPHECY

While I sat here in my apartment in Glendale, California last night waiting for my husband to return from work, those words that Mrs. Gladstone uttered in a tone of sympathy and friendliness to Queen Victoria came back to me, and I really for the first time shared the same feeling: "Your Majesty will find a great comfort in memories, presently," and the Queen's response, "So, in memory, we are together still."

Thus it is with my feelings regarding my classmates of 1950—ten short years, yet long, when one realizes the many changes that have taken place. As I turn the pages of that year-book I'll tell you of the fortune of those people as I've heard from them and about them through the years.

Marilyn Wentworth and I have always been good friends and have kept up a correspondence all of these years. In her latest letter she told me that she has finally announced her engagement to the celebrated Jimmy Stewart (Stewart that is). Marilyn has been doing considerable modeling in New York and Paris.

I also heard recently that Catherine Piyak has returned to Canaseraga from New York City with her husband, Professor Kerpotkins, where they celebrated their tenth wedding anniversary.

In a recent issue of the Canaseraga Herald, I noticed that Ted Savey, President of the Burns Trapping Association, has appointed Harvey Boyd to his executive cabinet. Mr. Boyd has just published his latest novel, "The Moon Traveler." Another item in the personal column that interested me was about an old neighbor of mine—Mildred Hagadorn, better known nowadays as Mrs. Clark. She and her husband have just invested in a share of Foster Wheeler. Millie says she wants future security for her "little bars."

It seems strange that way out here I should hear Bob Gould's name over the radio, but I did. It seems that Bob, a member of the board of directors of the U. S. Steel Corporation, and his wife, the former Miss Bacon, had their first visit from the stork. They are now proud parents of QUINTUPLETS.

The latest report from the F. B. I. states that Trulaine Shay, famous woman agent, captured the "New Jesse James Gang" after ten years of diligent work. It is believed that "Cupid" has shot his arrow and that Trudy and "Jesse" will be married immediately upon his release.

Another source of my information is the "Music World." In a recent issue there is an article on Lizzie Jackman. Elizabeth is a metro-soprano and made her debut in Vienna last week. She has been touring Europe with her husband and "ten little ones."

Something to which many people are giving alarm nowadays is the "H" bomb. Dick Kelsey and Maurice Seager, head chemists on the research of this bomb, have just returned home from South America to give the Canaseragans a "big bang." I can't possibly believe that I went to school with such famous and important people.

Rosalyn LaMonte's letter came this morning. It was such a pleasant surprise to hear from her after all these years. Rosie is now a famous hair stylist who recently flew to Arabia to work on Mrs. Ali Khan's hair. There was a P. S. to the letter that read something like this: "While in Arabia I made a trip to the altar with Prince Gregorius of Canaseraga. Rosie told me her sister Helen is still an old maid librarian but has many beaus and cats to take up her time.

Everett Swain, professor of history at Cornell University, handed in his resignation last month to take a position at Oxford University in England. He is planning to leave at the end of this month with his secretary, Leonard Neetz. Mr. Neetz has been doing extensive work in the field of agriculture in his spare time.

Harry Dieter and his wife, the former Audrey Saxton, were honored guests at a dinner held at the Grange Hall last evening. The occasion commemorated his third term as mayor of "Doty's Corners."

Joan Stephens, wife of John D. Rockefeller III, has just invested a billion dollars toward the rebuilding of the Birdsall Hotel. This should certainly put Birdsall on the map again.

The June issue of the Reader's Digest came in the mail this morning. Of all the people who should be mentioned in it—Dorine Klossner! It seems Dorine has been working very hard in her profession of dentistry and has become an authority on "Care of the Gums." Here I find a "Condensation" of one of her theories.

Virginia Yencer and Marylu Mess are still partners in crime. I'm sure you all have heard of the "Messy Makeup Company." A woman is no one these days if she doesn't use Ginnie's and Marylu's concoctions.

This ends my day-dreaming. I feel much better now—not half so lonesome as before. We have all come far and I can readily see that we all intend to go farther—true to our tradition and motto of 1950:

"NOT FINISHED—JUST BEGUN"

CLASS HISTORY

We, the Class of 1950, feel distinguished to know that we are the first class of the Canaseraga Central School to have received our entire twelve years of education in the new school.

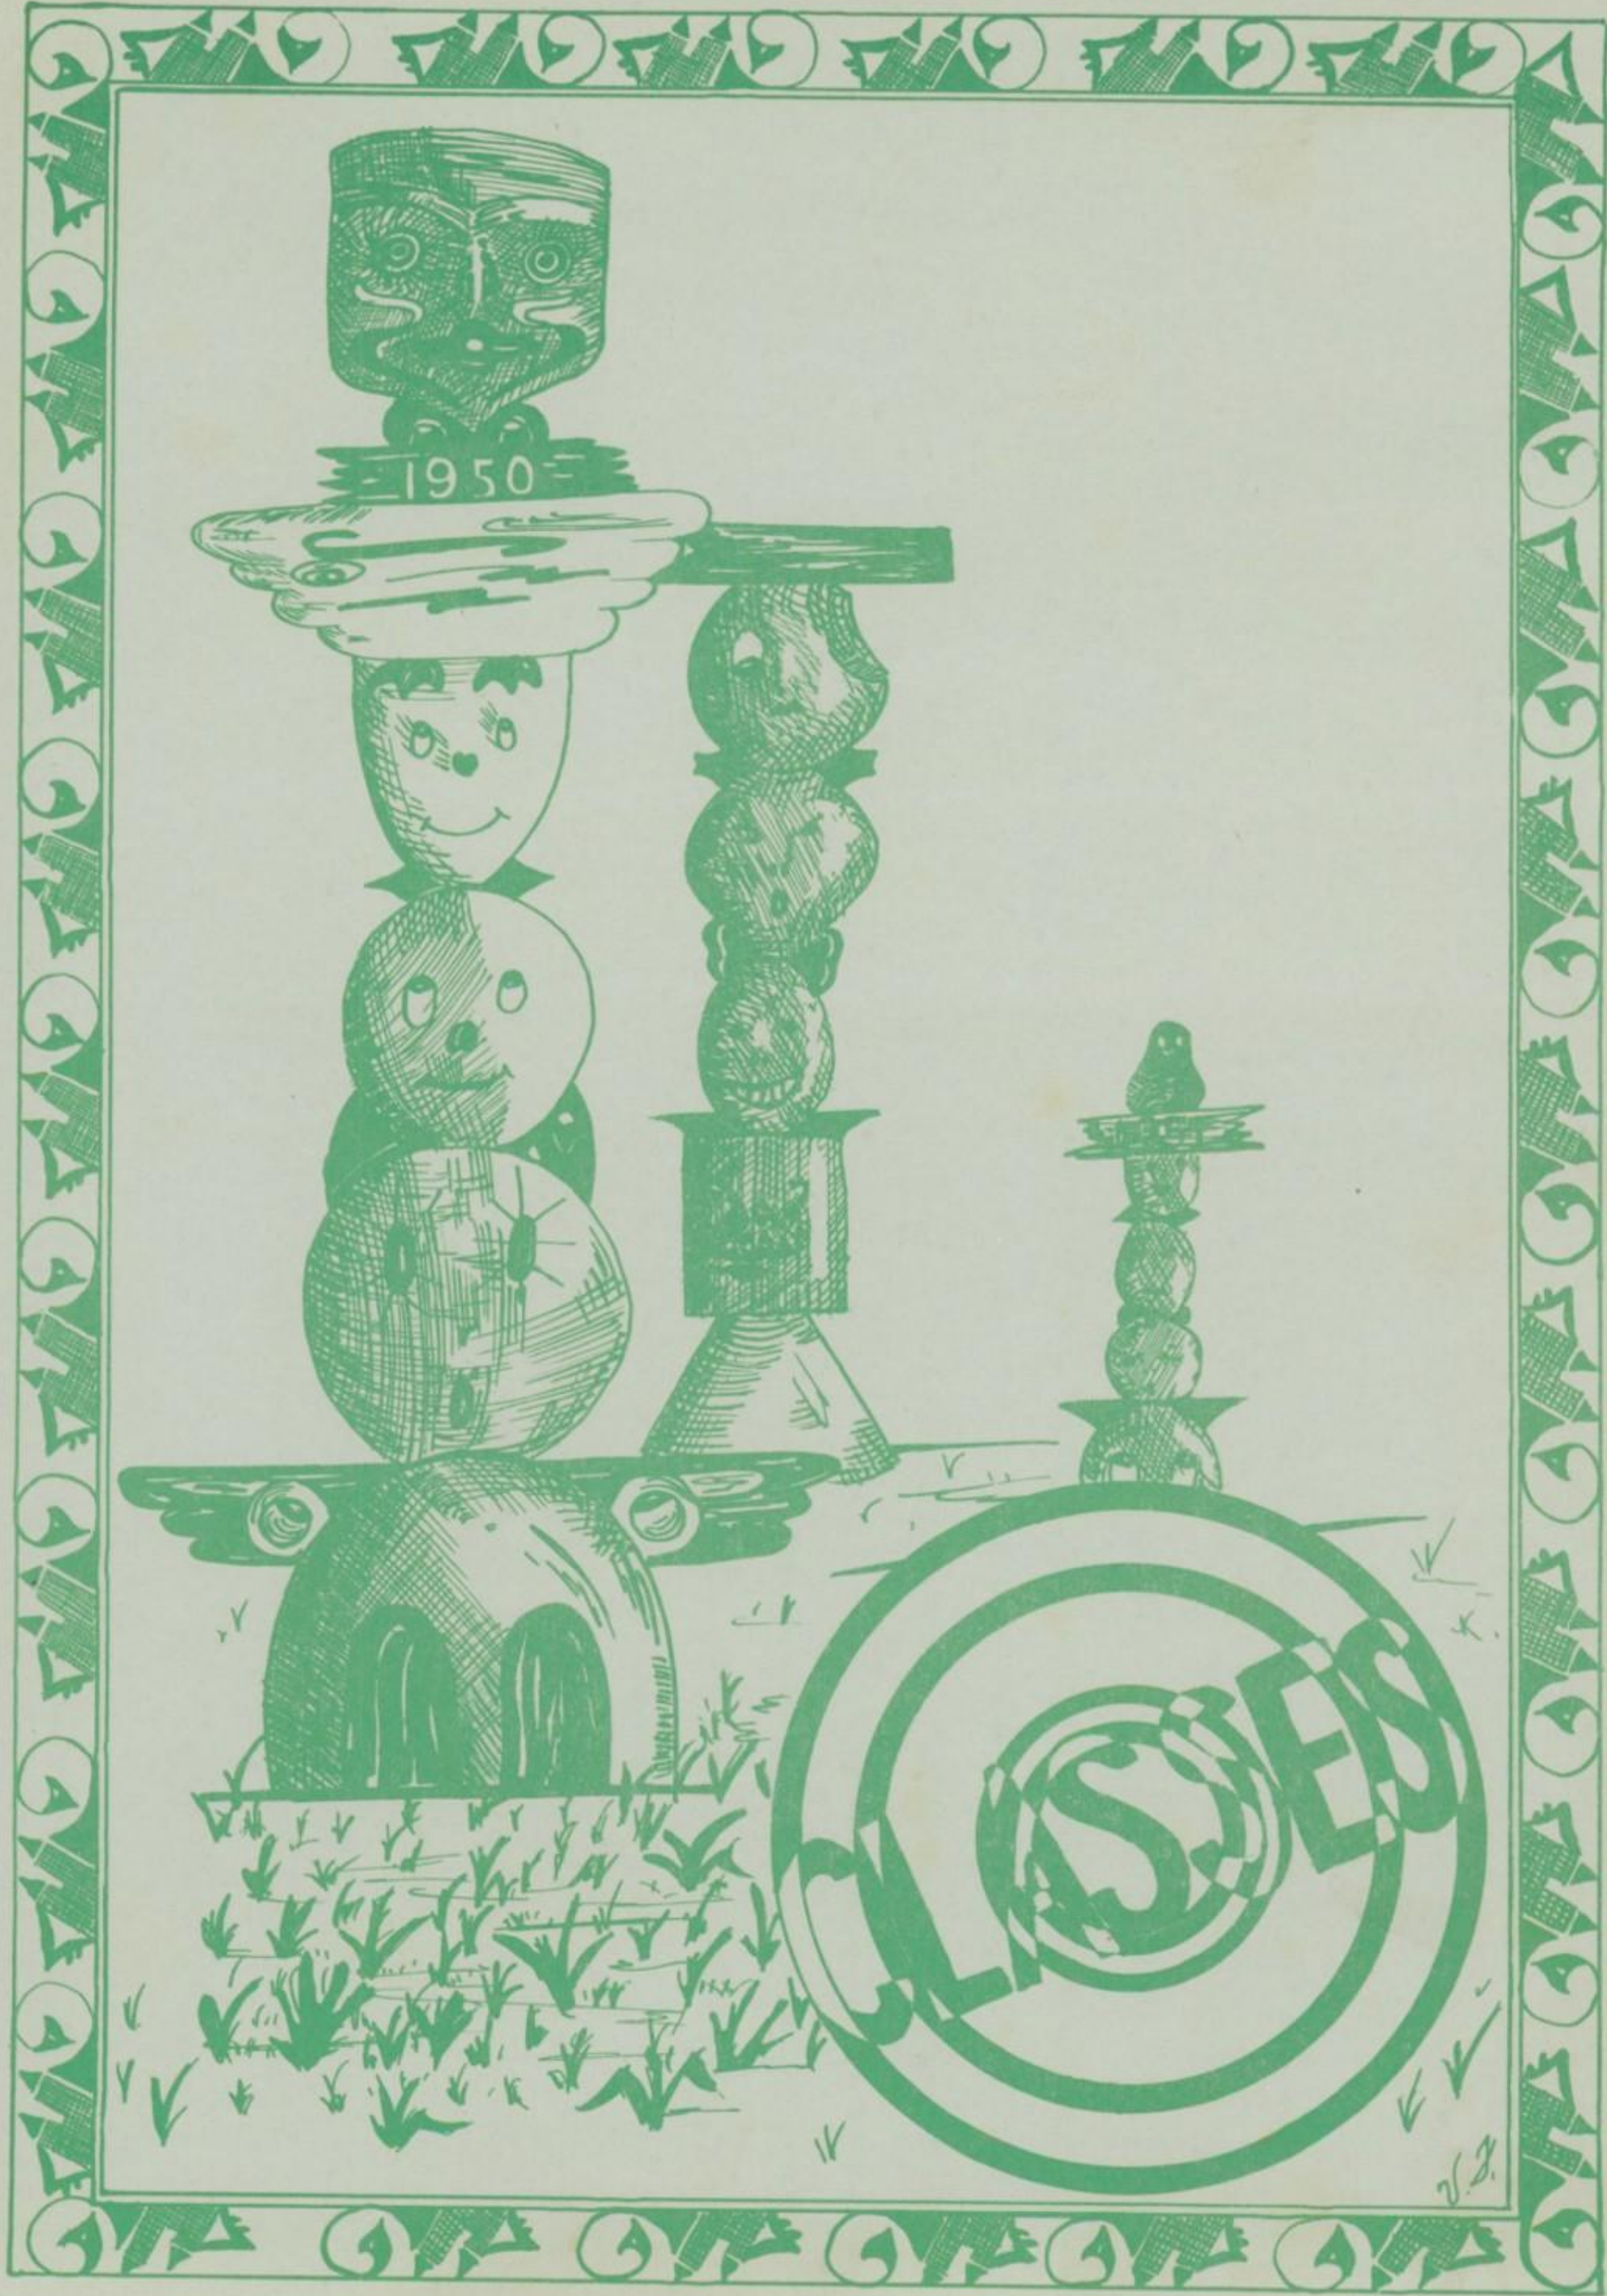

Mr. Pratt was our class advisor when we entered high school in September of 1946 as Freshmen. The officers for that year were as follows: Trulaine Shay, President; Dick Kelsey, Vice-President; Marilyn Wentworth, Secretary and Treasurer; Ted Savey and Marilyn Wentworth, Student Council Representatives. We enjoyed a Scavenger Hunt, followed by a Hallowe'en party at Trudy Shay's. Other activities of our first year in high school included a hayride, a movie, and a roller skating party.

When we entered school in our Sophomore year, we chose Mrs. Lester as our adviser. We elected the following staff of officers: Helen Bird, President; Rosalyn LaMonte, Vice-President; Mildred Hagadorn, Secretary; Marilyn Wentworth and Ted Savey, Student Council Representatives. The entire class enjoyed a delicious dinner in the homemaking room at Thanksgiving, and also a roller skating party.

The following year when we were Juniors, we were more active than in previous years. With Mr. Churchill as our class advisor, these officers were chosen: Virginia Yencer, President; Richard Kelsey, Vice-President and Treasurer; Phyllis Hubbard, Secretary; Catherine Piyak, Student Council Representative. In November a Harvest Square Dance was held which was very successful. Other activities have included two bake sales, selling of stationery and another square dance. The biggest events of the year, however, were receiving our Senior rings, and our Junior Prom with Art Dedrick providing the music.

At the beginning of our Senior year with Mr. Barocco as our advisor, the class officers were elected as follows: Dick Kelsey, President; Harvey Boyd, Vice-President; Catherine Piyak, Secretary; Marilyn Wentworth, Treasurer; Bob Gould and Dick Kelsey, Student Council Representatives. We have been exceptionally busy this year with a square dance, bake sale, magazine campaign and a variety of other activities to secure funds for our Senior trip to Washington in April. Rehearsals are now under way for the presentation of "January Thaw," our Senior play, which is to be staged March third. Then, last but not least, we are "following the gleam"—half anxiously, half sadly—toward the highest honor we can attain in high school—GRADUATION.

JUNIOR CLASS

Many of the activities which the Junior Class has planned have been postponed. In the beginning of the year we had a bake sale on which we made about twenty-five dollars. Then we raffled off three turkeys at Thanksgiving time and made a profit of approximately forty-five dollars.

We are now looking forward to being active "Seniors" in 1951.

SOPHOMORE CLASS

In September 1949 twenty-eight ebullient sophomores stormed the school library, welcoming the extra space of their new home room with cries of joy. Class officers were promptly elected and the group settled down to a busy year of extra curricular activities. Class meetings have been held when necessary during the English class. This has reduced some of the old camaraderie, but has increased the efficiency and decorum of the meetings very much.

In the fall, the sophomores ordered crew hats and white scarves decorated with green C. C. S. symbols, sold them to their fellow students, and added a goodly sum to the class bank account. Jo Ann Bacon, Dorothy Livergood, and Mary Ann Dennis handled the sales capably.

True to sophomore tradition, the sophomores secured the record player for both the Christmas party and the Valentine party. Mistletoe added a little extra excitement to the gala Christmas festivities. Mr. Howes recorded some of it (the excitement) with his new camera.

Plans are now in progress for a skating party.

First row, left to right: R. Fenton, B. Pierce, J. Luce, P. Isaman, M. Yencer, D. Stephens, M. Gavitt, R. Perkins, H. Spike, L. Oliver. Second row: B. King, E. Kiley, M. Blakley, H. Thompson, A. Secretary and Treasurer—Sally Kanaval
Student Council Representative—Harold King
Class Advisor—Mr. George Pratt

In September 1949 we proudly entered high school with Mr. Pratt as our class advisor. We celebrated Christmas and St. Valentine's Day in our homeroom with parties. In order to raise money for our treasury, we held a bake sale at Craig's store on October 3, 1949. At the beginning of the year we had twenty-seven members in our class. We have now only twenty-six since we have lost one member.

BAND

Past—The band, the most active musical organization, has drawn applause and praise from the public. Its past record, during the first part of the year, was excellent. The band participated in most of the assembly programs and the big undertaking was the Christmas program which was greeted with praise for the musical organizations.

Present—Our present activities have been even more numerous. We became a circus band for a night. We enjoyed our trip to Bolivar for the County Festival and finally our own Spring Concert. Some of the outstanding music was: "You're Breaking My Heart," and the band story, "Jack and the Beanstalk."

Future—The future looks excellent, as we lose very few with graduation, and—with approximately 15 students preparing for band membership—not only will we increase in number but also in experience and ability.

Missing: H. Tennies, R. Fenton.

Accompanist: Audrey Saxton.

SENIOR CHORUS

Past—The mixed chorus worked hard preparing for the Christmas program and, from the praise and comments of the audience, their work was not in vain. One number which drew approval was the English carol, "We Wish You a Merry Christmas."

Present—The Spring program is even a larger undertaking including two numbers with the Junior Chorus. A number to look forward to is "Dry Bones." The Chorus will be going to Bolivar to the County Festival.

Future—Although we will be missing many seniors, we wish them every success. Next year we hope to increase our membership and caliber of music.

LIBRARY COUNCIL

The Library Council is organized in two sections, Junior and Senior, the Junior group is made up of 7th and 8th Graders and is primarily an apprentice or learning group. Senior Council is for grades 9-12, and is formally organized with officers and planned work. With meetings at irregular intervals, due to the absence of any regular library period, it has been impossible to follow any theme in our work. However, the Council has done its usual considerable part in making the library function more efficiently. The members prepared nearly all the new books for circulation in the fall. They work at the desk; they have read, straightened and dusted miles of shelves; they have mended 45 books, and marked about 70. They have sorted magazines, and done many other tasks capably and cheerfully.

The Senior Council girls had a Christmas party in the library after school. We enjoyed cookies, ice cream and candy as well as some "library drama." We are anticipating our annual field trip in the late spring.

BASKETBALL

With the finest record of any basketball team we have had since the war years we can be justly proud of these hoopsters. Especially are they worthy of extra praise when you realize that four of them are only fifteen years old and are playing varsity basketball without junior varsity experience. Our starting line-up usually contained one senior, one junior, two sophomores and one freshman for probably the youngest team in the county.

The highlight of the 1949-50 season was our one-sided win over the league-leading Friendship team. Our league record of four wins and six losses placed us fourth in the six team league. The total season record of six wins and seven losses may be credited in no small way to Captain Dick Kelsey, who was also our highest scorer.

Left to right: Mr. Churchill, S. Kelsey, E. Gregorius, J. Newville, R. Dieter, M. Harvey, F. Bennett, A. Isaman, D. Gayford, J. Luce, H. Tennies, Manager. Shooting: V. Jackson. Missing: N. Thomas, R. Dresser.

JUNIOR VARSITY

The Junior Varsity showed consistent improvement all season and could always be counted upon to put up a good game. The overall record of the team showed a decided improvement over the last year's squad. The most notable improvement was in the spirit and drive with which the team operated. All of the games played were closely contested against good opposition. The won and lost record for the entire season proves that this team made a good account of itself in all games.

What these next ten years hold in store we know not, but as we separate to pave our separate ways, often times our thoughts will turn to C. C. S. and with Moore we'll say:

"When time who steals our years away
Shall steal our pleasures, too,
The memory of the past will stay
And half our joys remain."
